COUNTRY DAYS

THE
CEDAR HILL
LONGHORN
1977

THIS IS LONGHORN

This is LONGHORN COUNTRY where the spirit is big and the days filled with the flavor of country living.

Cedar Hill is a world to itself, little affected by its metropolitan friends to the North, and this atmosphere lends itself to the good life.

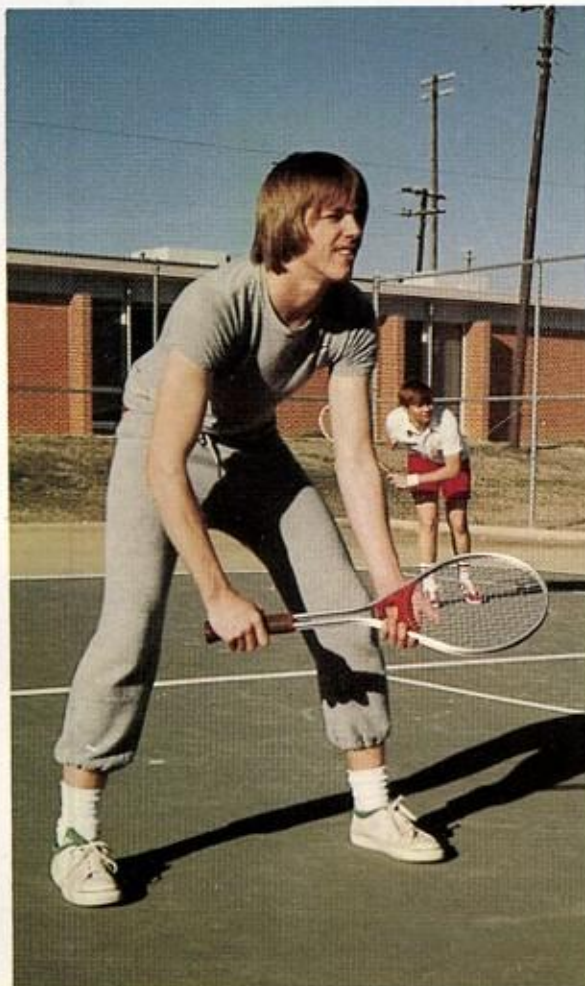

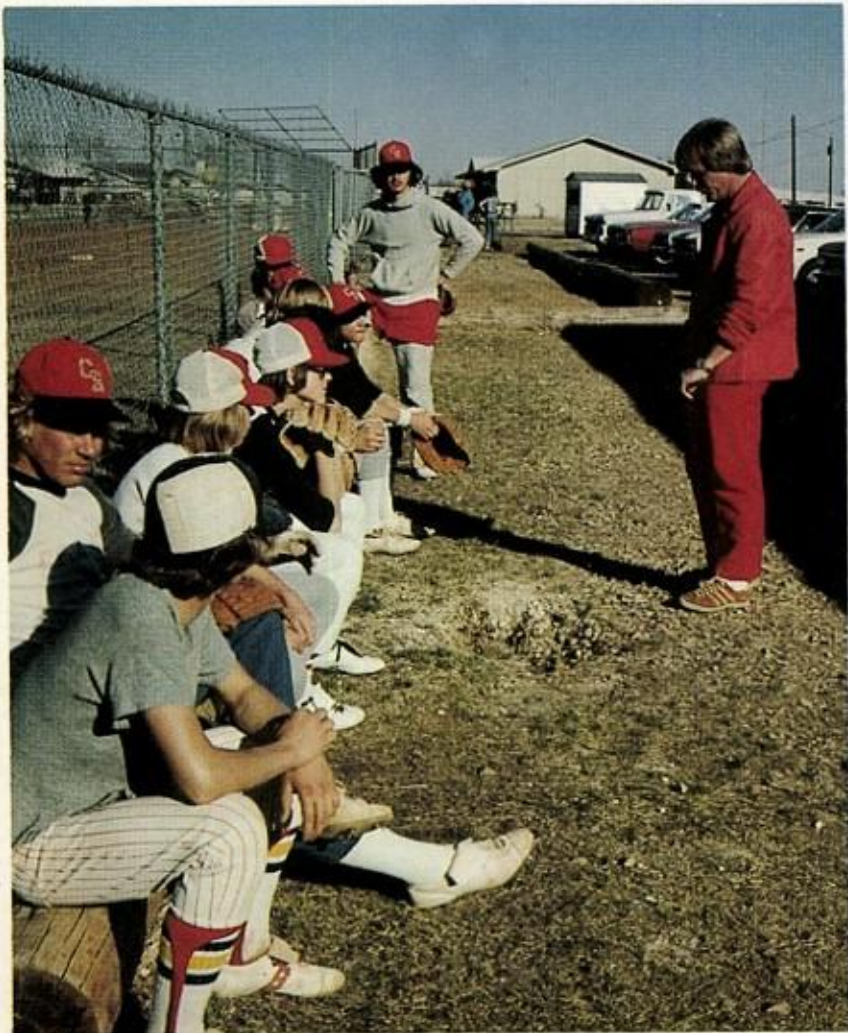

From the small classes, and the hometown support come a feeling of unity, involvement, and friendship.

*Whenever the people of Cedar Hill meet, you can hear resounding at every greeting . . .
"HOWDY, NEIGHBOR!"*

I'm gonna fall

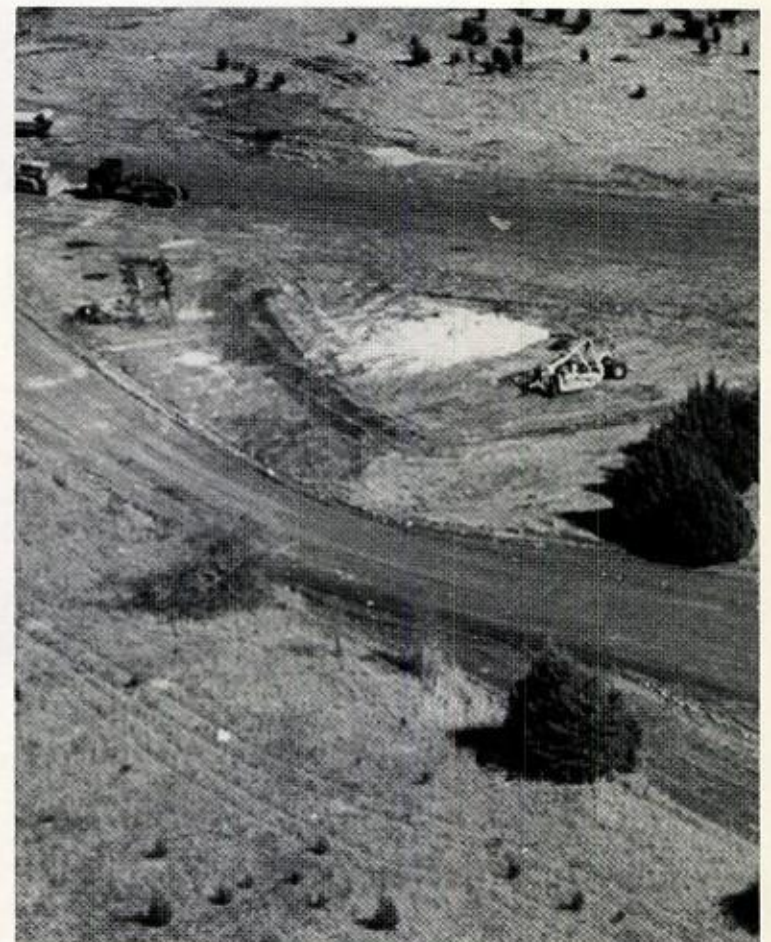

Looking to the future, ground was broken for a new high school to further enhance the Cedar Hill Community. Expected date of completion is 1978. The first class to graduate from the new campus will be in 1979.

Representatives from the CHHS Student Body, community and staff witnessed the occasion as the members of the CHHS School Board did the honors.

Gum? In my hair?

I wonder if I unplugged my curling iron?

This is the house that Jack built.

"They're not our team."

"I don't like that headline." "I know, but, I do."

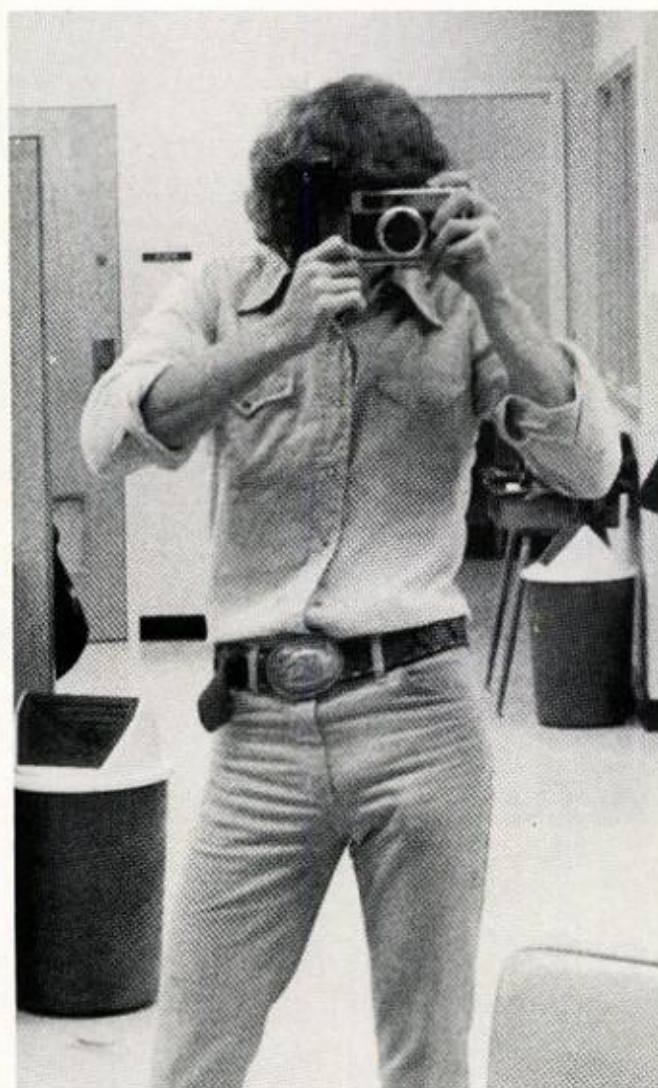

I've shut my hand in the drawer.

We've started our own team.

This is the only way I can get my picture in the annual.

Brain behind our Faculty

Cedar Hill Cast Members of CARWASH

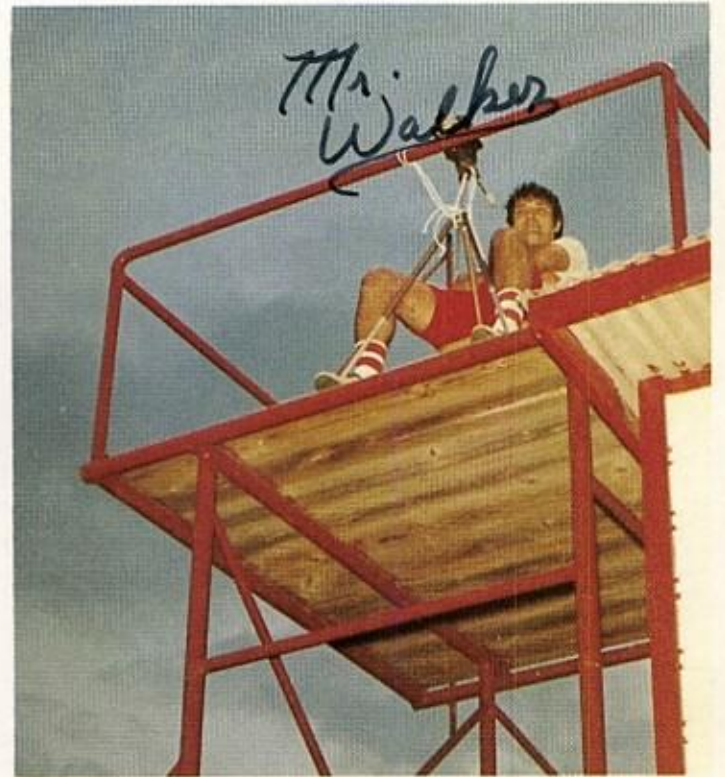

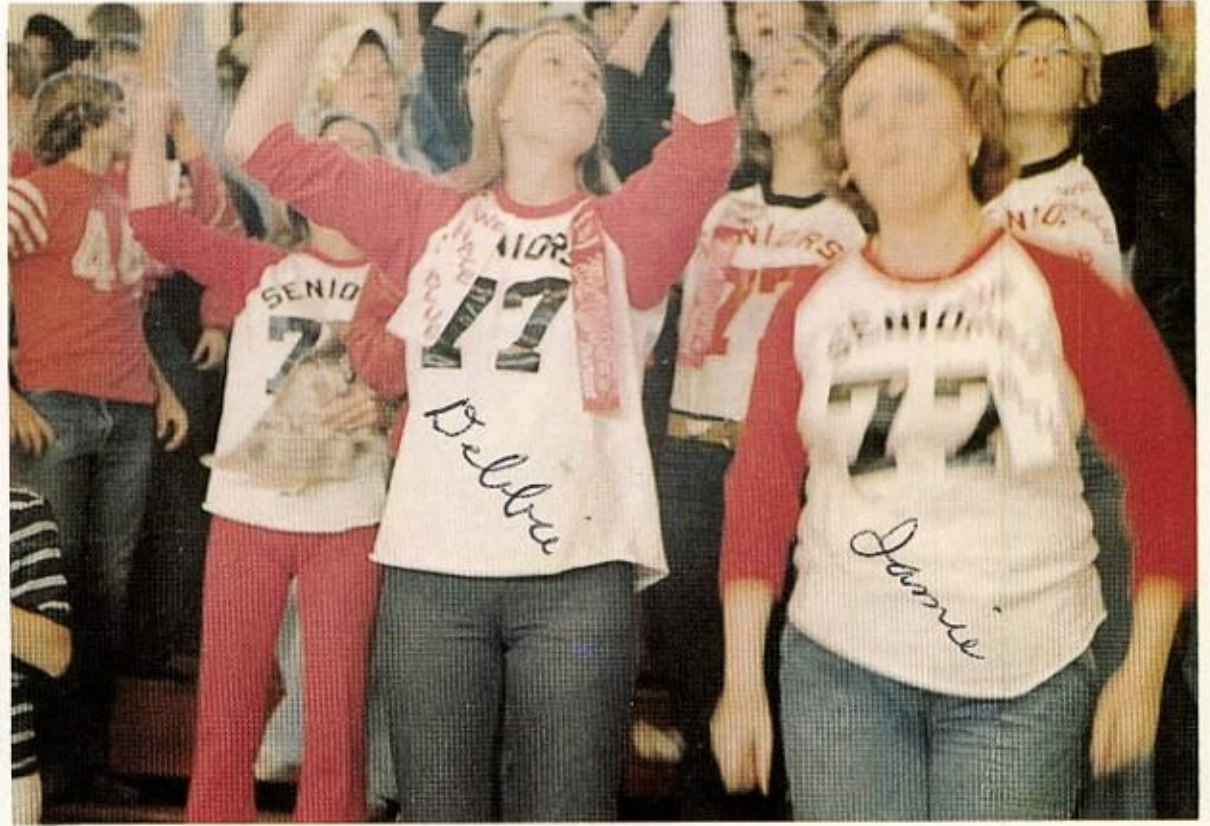

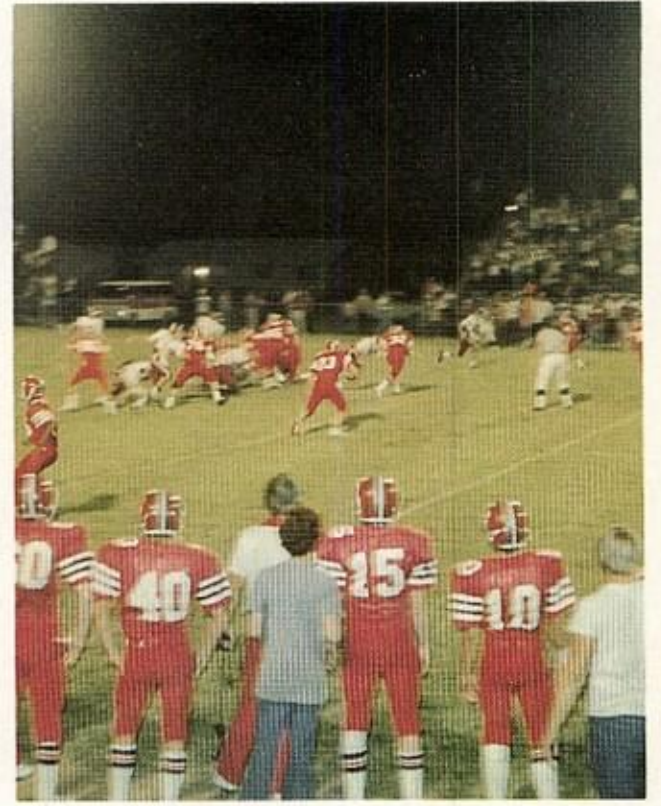

Pep Rallies at CHHS are full of that Longhorn Spirit . . . big and loud! The spirit contests between classes fostered this competitive spirit and as each week passed, the class who had won the "spirit stick" worked hard to maintain it.

The last pep rally of the year particularly meaningful as the members of the Senior Class gathered on the gym floor.

Homecoming . . . Reminiscent of

Just imagine! Cedar Hill in the Rose Bowl!

Tawnya, that's two demerits for missing pep rally.

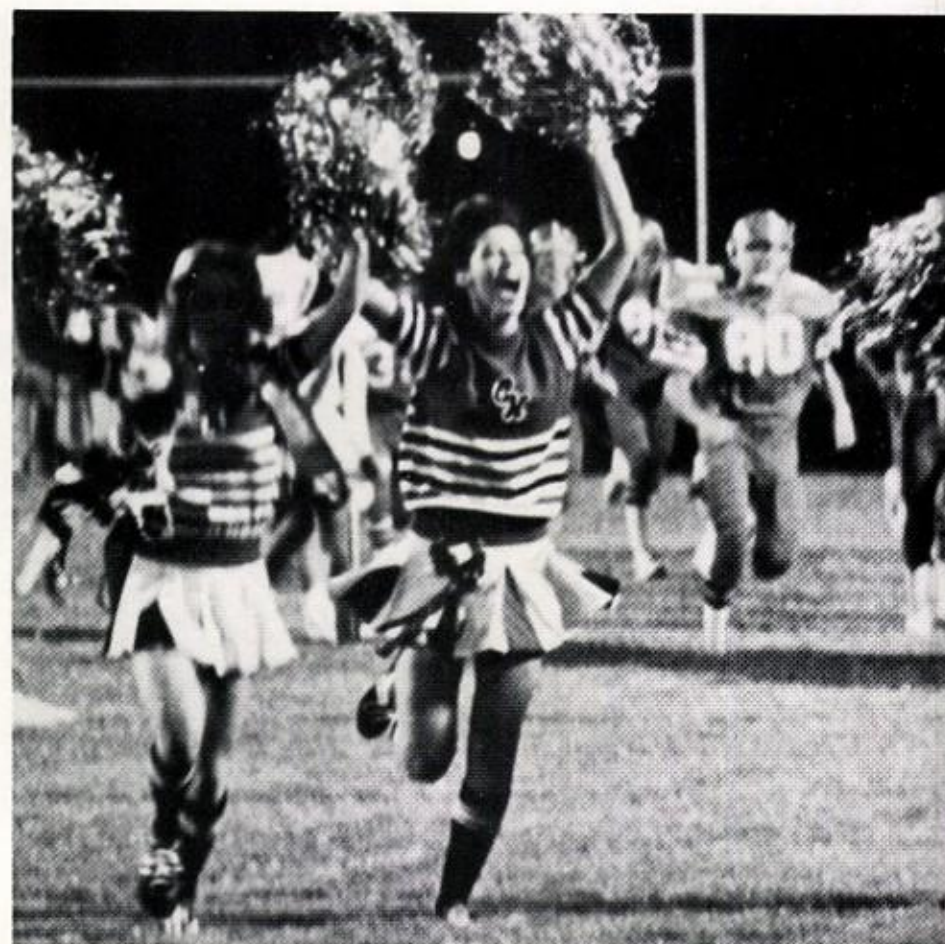

Longhorns fight the Pirates for Homecoming pride.

Diane, glad to see you finally got your training wheels off.

Where did the band go?

Front Line for the Longhorns are . . .

Wait 'til Richard sees what you've done.

Days Gone By

Moe, Curly, Larry

Fly like an eagle.

I hope this thing has shocks.

Theresa, Lauri, Diane, Carolyn, Frankie . . .

They didn't give ME flowers and a crown.

Come over here and say that.

Aren't you glad you use Dial, don't you wish Jalyynn did.

You mean we have to ride all the way to Allen in this?

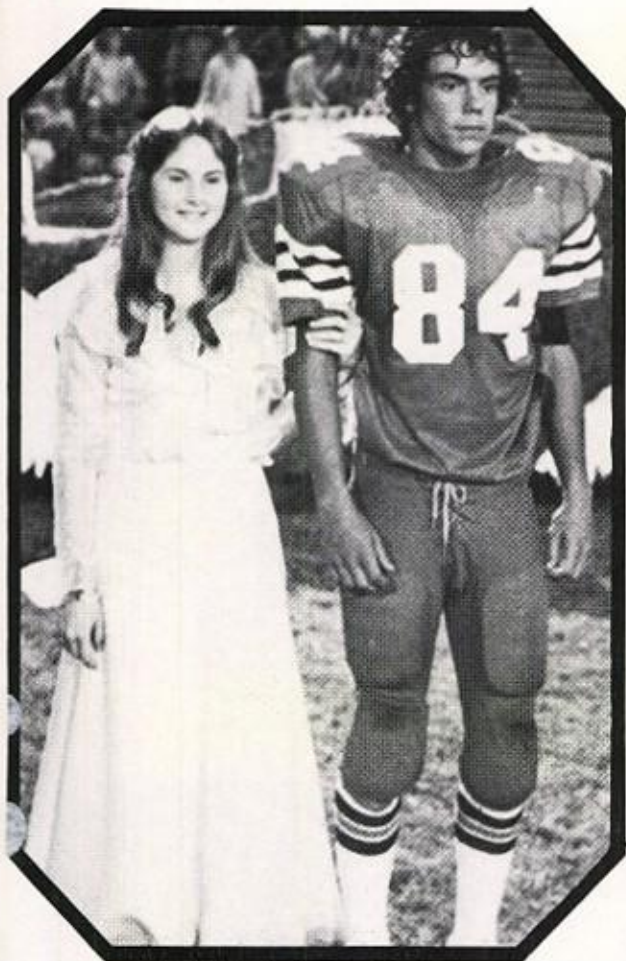

Homecoming Queen 1976

Miss
Jalynn
Barron

On October 1, Cedar Hill had another spectacular homecoming. The tension could be felt in the air as the nominees waited. Who would be the 1976 Homecoming Queen? Everyone waited as the moment neared. And then the 1975 Queen, Lee Watson, crowned Miss Jalynn Barron CHHS Homecoming Queen for 1976.

See how popular I am when I have food.

May we go to the store, Mrs. Walker?

I couldn't help it if it was a wrong number.

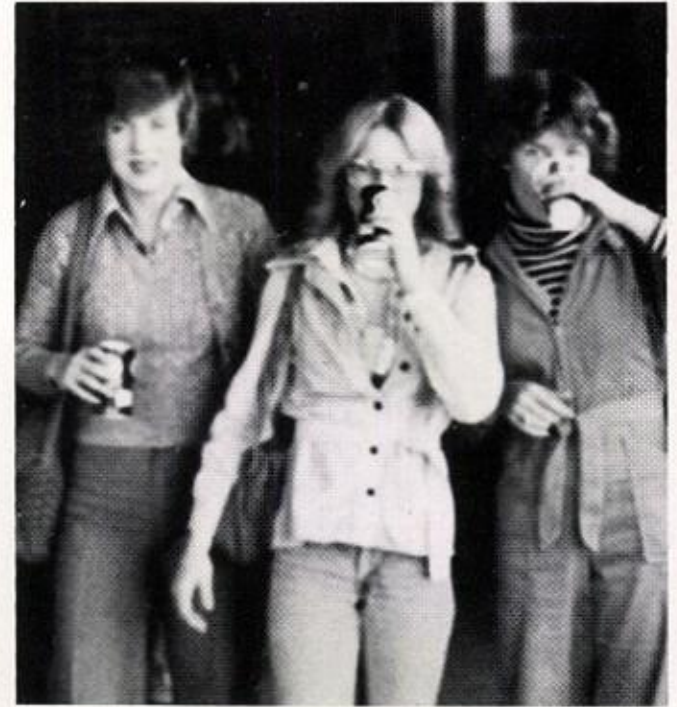

I knew this pole wasn't long enough.

Hi'ya, Big Boy.

Oh, no, we've interrupted his beauty sleep.

We'll drink to that!

And now, lining up for the six man dash . . .

Gosh, they did everything right!!!

Whoa, girlie, spirited little piggie.

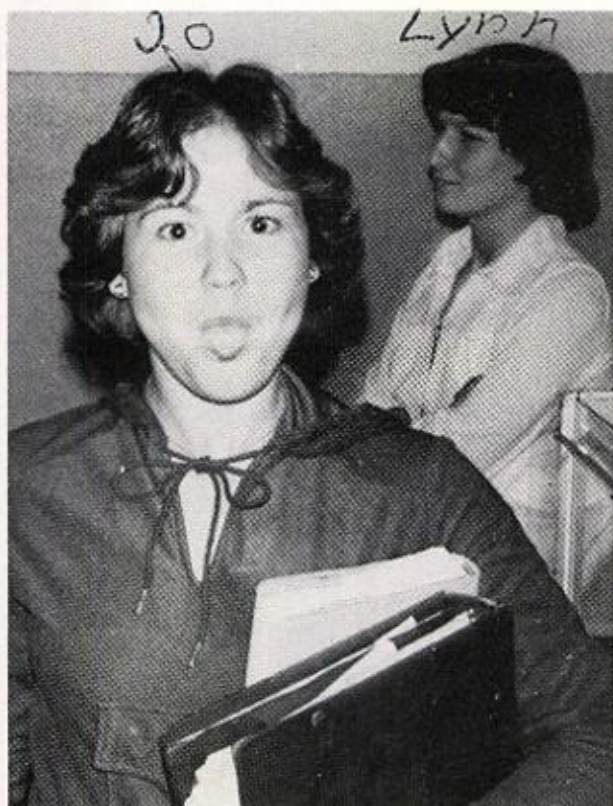

Girls of a feather . . .

Rex, I wouldn't cheat off Ricky if I were you.

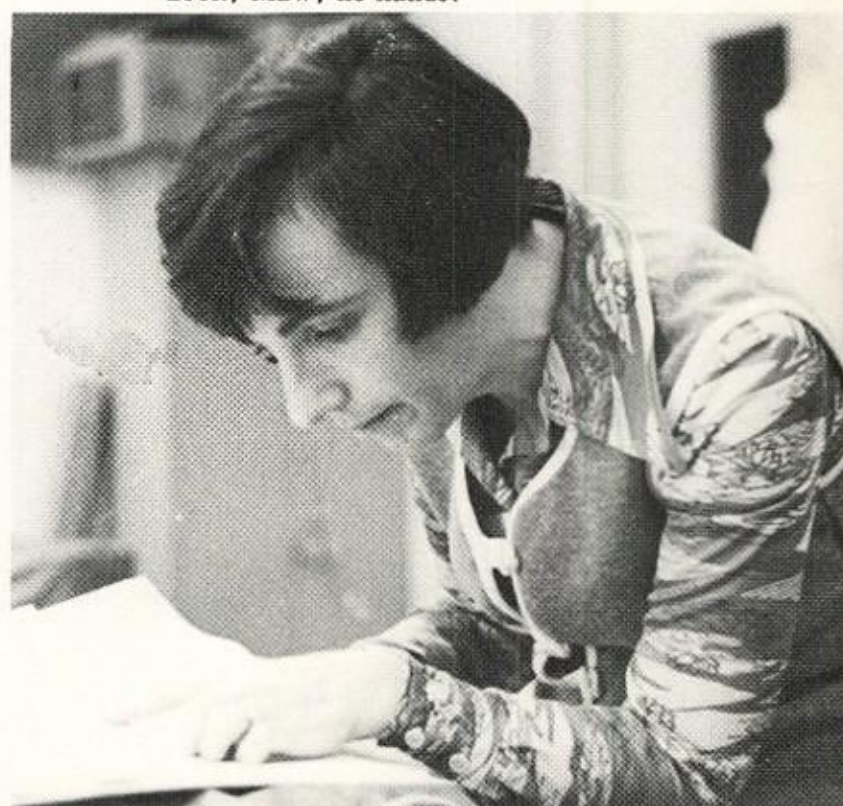

Look, Maw, no hands!

Don't be such a smartie.

It's just you and me, cow.

Now do we look like the kind to deflate tires?

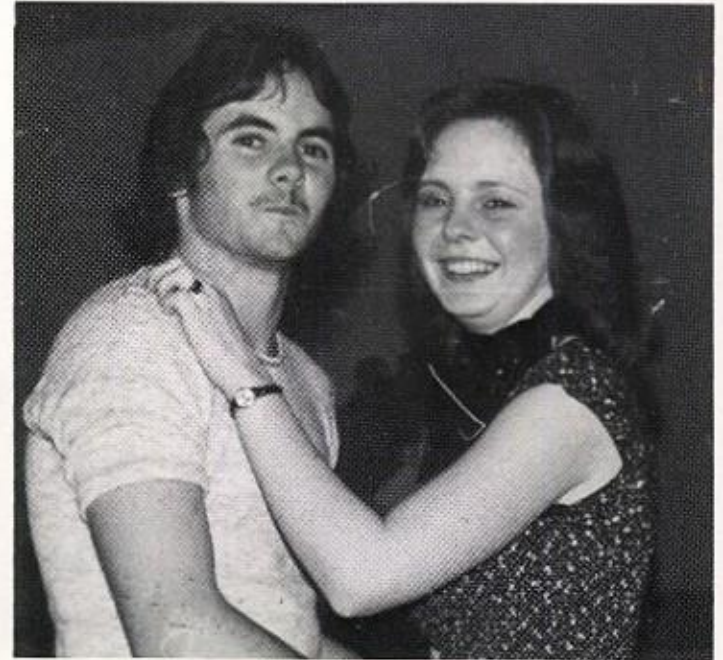

Come on, Mrs. Pool, time for your bath.

I've got new lipgloss.

Oowe . . . I bit my lip.

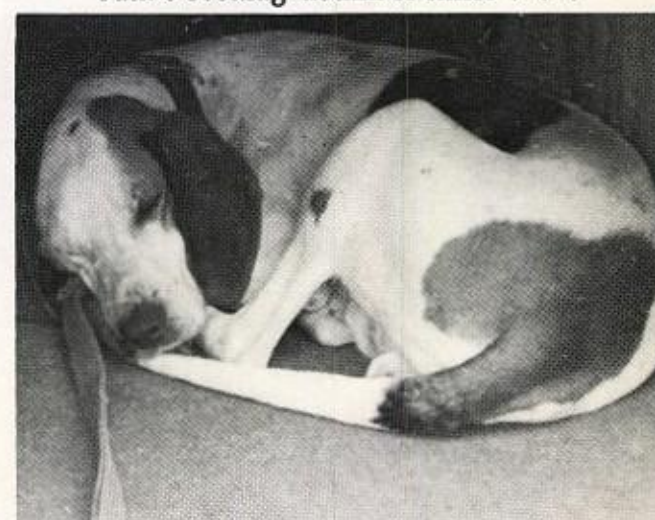

What was that you said?

CHEERLEADERS "UP" THE SPIRIT

The CHHS 1976-77 Cheerleaders did a super great job of supporting our school. They improved the school spirit by boosting the morale of our Student Body at pep rallies and games.

The Cheerleaders were responsible for the hall and locker decorations each week that helped prepare everyone for the Friday night games. They burned the "midnight oil" often - we appreciate them!

DRILL TEAM ADDS COLOR

The 1976-77 Westerners provided the student body with that extra spirit at the pep rallies and at the games.

They suffered through the rain, sleet, and the extreme cold to practice and perform.

The Run-through signs for the football players were especially artistic and colorful this season. They brighten up many a game along with their attractive carriers.

Even though the 1976-77 Scarlets did not win their district meet they did equally as well as in the past. Above all they did an outstanding job in sending most of the team to the regional meet. The 440, 880, and mile relays all qualified, plus two runners in the 880 yd. dash and one in the mile run. There were also three alternates. Next year all of the Scarlets will truly miss the talent of Lauri Watson, and Frankie Tidwell one of the varsity managers.

FROM L TO R: A. McLemore, D. Hopson, J. England, A. Gross, P. Andrews. NOT PICTURED: J. Fulton.

The Scarlet Jr. Varsity track team won the district 12-AA title easily with 146 pts. There were 10 girls participating for the Scarlets, with Kim Tidwell receiving the high-point trophy. The JV placed 1st, 2nd, and 3rd in the 880 yd. run and the 220 yd. dash. In all they had six 1st, five 2nd, four 3rd, and four 6th places. We're all very proud of the hard work they did this year.

Valentine Coronation

Spring burst out early in February with the Valentine Coronation. Miss Jina Hendricks, 1977 Valentine Queen was ushered to her throne by Mr. Steve Hozdulick.

The setting was one of butterflies, doves, and clear skies.

The Junior Class was responsible for this fair weather and the atmosphere couldn't have been better.

Dear Seniors of 1977;

Do you remember your very first day of school? You were a scared and frightened child. It was the beginning of your school days. And now as graduation approaches you are scared once more. It's the end of your secure high school life. You are an adult now and must make it on your own. At first you think it's great, but then you sit and think about it seriously and you're not so sure. You'll be leaving behind a big part of your life, the school and friends you've been so close to all these years. Yet at the same time you'll be picking up the beginning of the rest of your life.

*Have the Best of Luck . . .
God Bless You All.*

*Mary
Kathleen
Norvell*

*December 8, 1945 —
March 8, 1977*

A teacher in the Cedar Hill School for six years, Kathy Norvell has left an image of professionalism in the memories of teachers as well as students. In the classroom, she taught her students with enthusiasm and discipline. Students recall how vividly she would tell stories from literature, making them come alive.

She continually encouraged students to do more in life than what they had planned before her inspiration.

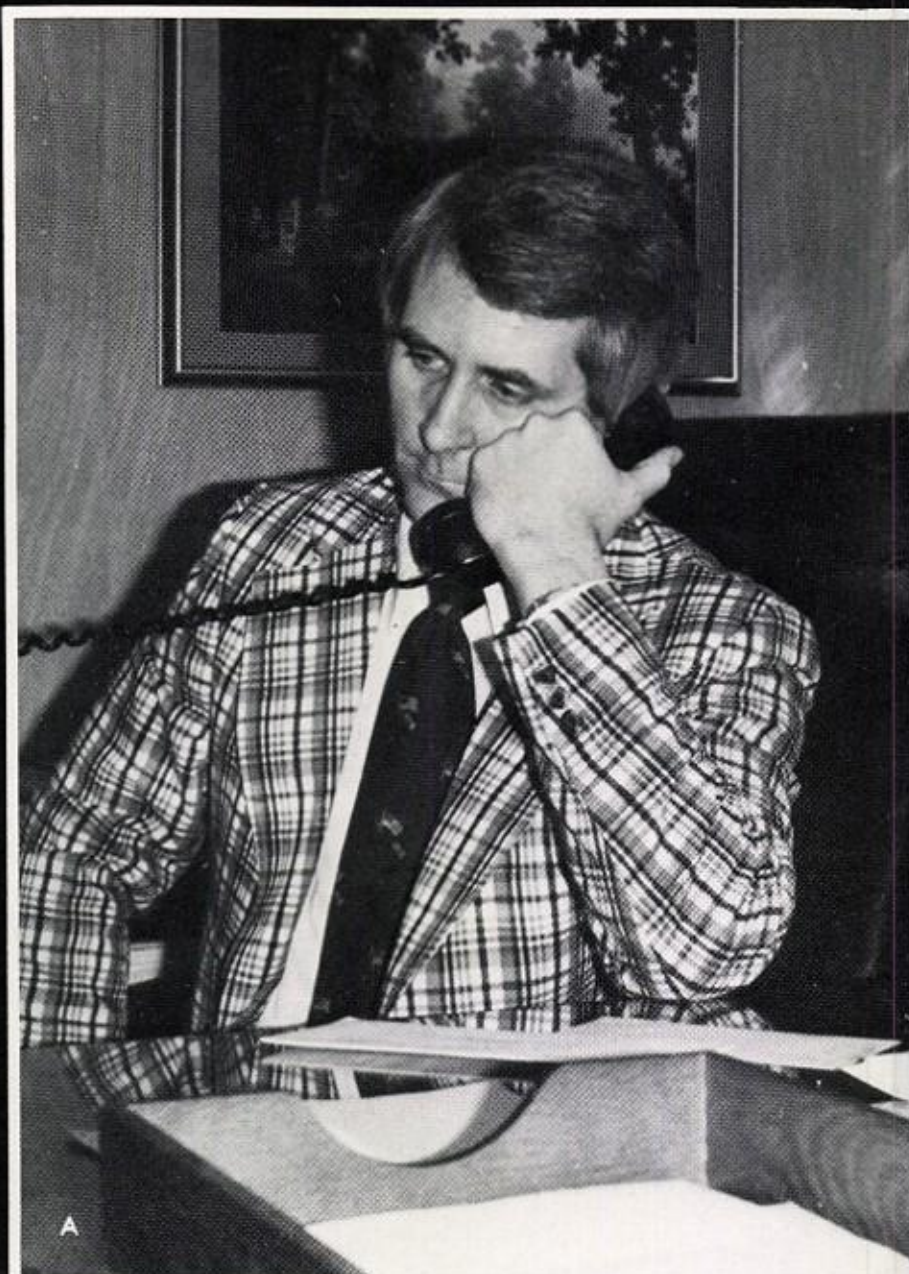

She was mentor and friend to all she worked with and she received respect and appreciation from each. Her life as well as her passing have left those she touched with the true meaning of valor.

The members of the Longhorn Staff have many special thanks to convey to those who have contributed their time and efforts in making the publication of the '77 LONGHORN possible.

These special thanks go to: Ken Hardin, Van Smith, Marcy Bradberry, Linda Martin, Mike Bell, Kay Giese, Rick Taylor, Heritage Savings, George Walker, Derek Neitzel, all those who bought ads, the CHHS teachers, and especially Mr. Hawkins.

As editors we would like to give our extra special thanks to the LONGHORN Staff for all the hard work and time they have put into this book. And last but not least, we would like to thank our sponsor, Kay Walker. She was new at this and so were we, but we learned together and made it. She has put up with a lot from us this year, and spent many long hours after school and at home working to meet deadlines.

We could never have done it without all of these poeple. Each one has helped immensely. Thank you everyone.
